THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

Mr. Jack Zlotnick  
217 Tyson Drive  
Falls Church, Virginia 22046

Dear Jack:

You gave me much food for thought in your very fine letter concerning my new appointment. The job will indeed be a tough one, but I look forward to it because I think the future will have opportunities in it for this great Agency. I will certainly give it my best shot.

I take your comments very much to heart. I think our single most important effort in the future should be that of how to improve analysis and production. Your views are very much on the mark, and I have fed them into the machinery.

Let's keep in touch. All the best.

Faithfully yours,

E. H. Knoche
